Other features

- **Policy Loan**

Loan will be available under a Policy for up to 70% of the applicable Surrender Value under the Base Plan provided the Policy has acquired a Surrender Value. The interest on loan is payable at the prevailing rate of interest applicable to the loan. The prevailing interest shall be equal to 10 year G-sec benchmark effective annual yield as on last working day of previous financial year, round-up to the next multiple of 25 Basis Points plus a margin of 150 Basis Points. The rate of interest on loans for FY 24-25 is 8.75% p.a. compounded yearly. Please contact us to know the prevailing rate of interest for policy loan. The company reserves the right to change the basis of determination of interest rate and to revise the applicable interest rate less frequently than annual.

For other than In-Force and fully Paid-up policies, if at any time during the term of the Policy, the sum of loan outstanding and unpaid interest on loan outstanding exceeds the Surrender Value at that time; the Policy will be terminated by recovering the loan outstanding amount and unpaid interest amount from the Surrender Value after giving intimation and reasonable opportunity to the Policyholder to continue the Policy. The balance of Surrender Value, if any, will be paid to the Policyholder.

For In-Force and fully Paid-up Policy, the Policy can't be foreclosed on the ground of outstanding loan amount including interest exceeds the Surrender Value.

Before payment of any benefit (Death, Money Back, Maturity, Surrender) for a Policy where the loan is availed of, the loan outstanding amount and the interest on loan outstanding will be recovered first and the balance, if any, will be paid to the Claimant/s.

The Claimant will not have an option to avail loan under the Policy after the death of the Life Assured.

Quarterly and monthly modes are allowed only if the premiums are paid electronically like through ECS/NACH or online payment. For Monthly frequency, first two months' premiums will be collected in advance at the time of issuance of the Policy. - **Premium discontinuance**

If you discontinue the payment of premiums, the treatment of your policy is as explained below:

- **Surrender**

We understand that there are financial emergencies and to honor such needs we provide the Surrender Value. The surrender value will depend on the year of surrender, premiums paid, the policy term and premium paying term chosen. The policy will terminate once it is surrendered.

The Policy shall acquire a Surrender Value after completion of first policy year provided one full year premium has been paid. The Surrender value payable is higher of the Guaranteed Surrender Value (GSV) and Special Surrender Value (SSV) as given below

Guaranteed Surrender Value (GSV):

The policy shall acquire a Guaranteed Surrender Value (GSV) if all due premiums have been paid for at least first two consecutive policy years in full.

Guaranteed Surrender Value is defined as GSV Premium factor multiplied by the total premiums paid^{T&C6}, plus GSV Guaranteed Loyalty Addition Factor multiplied by Guaranteed Loyalty Additions accrued till date of surrender less any Money back benefits already paid.

The details of GSV Premium factors and GSV Guaranteed Loyalty Addition Factors are given in the policy document.

Special Surrender Value (SSV):

Special Surrender Value shall become payable after completion of first policy year provided one full year premium has been received.

The applicable SSV shall be reviewed annually based on the prevailing yield on 10 Year G Sec and the underlying experience.

The SSV is reviewable and shall be determined by the Company from time to time, subject to prior approval of IRDAI. You are requested to get in touch with Us for the applicable SSV for Your Policy.

The company reserves the right to change the Special Surrender Value Factor from time to time depending on the economic environment, experience and other factors, subject to IRDAI approval.

For further details on GSV and SSV, please refer to the policy document.

The policy will be terminated once it is surrendered and cannot be reinstated

- **Lapse**

If premiums are not paid in full for the first policy year then the policy lapses at the end of the grace period and the insurance cover, inbuilt accidental death benefit, inbuilt waiver of premium benefit and rider benefits, if any, will cease immediately. In such a scenario, no benefits will be paid if the policy is not revived within the revival period.

No benefits will be paid when the policy is in Lapsed status. Accrued Guaranteed Loyalty Additions, if any, will not be payable for a policy in lapsed status. No further Guaranteed Loyalty Additions will be payable.

- **Paid-up**

The policy will acquire a paid-up status on discontinuance of premium payment provided the first policy year premium has been paid in full i.e, once the policy has acquired a surrender value.

On acquiring paid-up status, the benefits under the base plan will be reduced as given below:

Paid-up Sum Assured = Base sum assured multiplied by (Number of premiums paid divided by total number of premiums payable)

Paid-up Sum Assured on Death = Sum Assured on Death multiplied by (Number of premiums paid divided by total number of premiums payable)

Once the policy acquires paid-up status, the inbuilt accidental death benefit will cease immediately. For treatment of riders in paid-up status, please refer to the rider terms and conditions.

Benefits payable for a Paid-up Policy:

- **In the event of death of the life assured**

Paid-up Sum Assured on Death is paid irrespective of how many money back benefits have already been paid.

No accidental death benefit is payable.

In addition, Money back benefit as a percentage of Paid-up Sum Assured will be paid as and when due.

Accrued Guaranteed Loyalty Additions will be paid on maturity.

There will not be any changes in the Guaranteed Loyalty Additions accrued up to the date of policy becoming paid-up. Once the policy becomes paid up, further Guaranteed Loyalty Additions will be accrued as a percentage of Paid-up Sum Assured.

The nominee will not have an option to surrender the policy after the death of the Life Assured.

- **On Survival till Maturity**

Money back benefits as a percentage of Paid-up Sum Assured will be paid as and when due.

Accrued Guaranteed Loyalty Additions will be paid on maturity.

There will not be any changes in the Guaranteed Loyalty Additions accrued up to the date of

policy becoming paid-up. Once the policy becomes paid up, further Guaranteed Loyalty Additions will be accrued as a percentage of Paid-up Sum Assured.

No Guaranteed Maturity Additions will be payable for a paid-up policy.

- **Revival**

A policy in a lapsed or paid-up condition can be revived during the revival period of 5 years by paying the arrears of premiums along with interest at the prevailing rate of interest. The Prevailing interest rate is calculated as equal to 10 year G-sec benchmark interest rate as on last working day of the previous financial year, rounded up to the nearest multiple of 25 basis points, subject to a minimum revival interest rate of 7% p.a. The current rate of interest for FY 24-25 is 7.25% p.a. compounded yearly and is subject to change from time to time.

On revival of the policy, all the benefits under the Policy which prevailed before the date of Lapse or Paid-up will be restored at full level including Guaranteed Maturity Additions. All due Guaranteed Loyalty Additions will also be added to the policy. Money Back Benefits paid at a reduced level shall be restored at full level at the time of revival allowing for the reduced Money Back Benefits already paid.

The revival of the policy will be subject to satisfactory medical and financial underwriting of the Company. The revival is subject to company's Board approved underwriting policy i.e. the Life Assured may have to undergo medical test, etc.

The revival period is a period of 5 years from the due date of the first unpaid regular premium or maturity date of the base policy, whichever is earlier.

If a lapsed policy is not revived at the end of the revival period, the policy will be terminated at the end of the revival period and no further benefits are payable. A terminated policy cannot be reinstated.
